

Company Name

Hi,

I sent this home with you this evening because “YOU impressed me”!

I am looking for people just like you to represent Company Name.

Something to think about...

- If you are working now or did in the past...do you laugh and enjoy your work all the time? I DO!
- Do you set the hours you want to work? I DO!
- Does your job offer you the chance to have “unlimited earnings”?
- Does your job offer you incentives?
- Does your job offer “residual income”?

I am interested in your answers and you!

I look forward to talking to you soon!

Thanks for your time
